Forecast for Sunday 29 Nov 2020

Weather: Mainly dry but extensive low cloud and mist at times, particularly in the valleys and on the lower slopes. However, some sunny or clear spells possible, most likely over the tops and in southern parts.

Chance of cloud free mountain/hill tops above 600m: 60%, extensive cloud base 300m or less, mainly in the valleys and on the lowers slopes, clearing at times, mainly at height.

Visibility: Moderate or poor at low level, occasionally very poor in any cloud. Locally good or very good, mainly at height and in the west of the Park.
